Comment Reasons:

Comment: I live down Hook Green Lane, we already have enough lorries and industrial vehicles coming down our very narrow country lane for deliveries etc and im sure this would only make it 10 times worse.

Wilmington is a small village with 4 schools, the church is used by parents and children alike, a construction business with large diggers and deliveries will be a huge health and safety risk. We do not have the infrastructure in the village to accommodate such a business.
