## Comment Details

Commenter Type: neighbour letter

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposal for a plant machinery depot off Broad Lane, Wilmington is ridiculous. Broad lane is narrow with cars parked on both sides of the road at all times making it a difficult road to navigate already without the addition of lorries regularly using the road.

Many pensioners & young families live in wilmington & it simply is not the right place for such a development.

Add to this the difficult corner at the top of common lane and the single track lane from the other direction and passing this application would be a recipe for disaster, particularly during school drop off and pick times which are already somewhat difficult to walk and drive through!
