Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I live right on the junction of Broad & Common Lane. This is already a very dangerous junction especially if approached from Common Lane & I witness several near misses a day from my kitchen window.

There are no pavement on my side of the road so pedestrians have to walk in the road, many of them children on their way to school and elderly people going to the local shop. We already witnessed large lorries trying to negotiate the left turn into Common Lane (with great difficulty) whilst work was going on at the Schools.

Therefore I strongly object to this planning application as it will have an adverse effect on the village, and infringe the safety of residents and school pupils.

This is a Village not an industrial area.
