Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Broad Lane already has limited public footpath meaning that myself and 2 young children already have to walk on the road and with large vehicles driving down an already narrow road with many cars parked either side this is very dangerous. There is also a traffic problem already with the schools and this would add to the problem not to mention the extra pollution it would cause.

I would be almost impossible to get any large vehicles down Broad Lane.
