Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: How can a village that has a regular lorry watch scheme to catch lorries breaking the weight restriction rule welcome a construction yard.

Not only is the road that will accommodate the entrance far too narrow, it is a lane that currently proves busy during school drop off and pick up times.

The village has 3 secondary schools and a junior school all of which cause traffic difficulties at certain times of the day and the added pressure of more traffic, especially lorries or vans will cause it to gridlock, not to mention the safety of the children.
