Comment Reasons:

Comment: Wilmington is plagued by heavy lorries on a daily basis. This burden blights life in our village. To add more traffic and heavy plant will simply exacerbate an already dangerous situation. We have four schools within a short distance of the proposed site. The additional traffic adds to the pollution and poses further problems for our children to negotiate on their journey to and from school. Much effort has gone into making Common Lane safer, this site will require lorries to travel across the top of Common Lane posing obvious danger to the children we are trying to protect.
