Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this as it will lead to an increase in HGV's coming into the village and into the road I live, the noise and literal rumble through the house when there was a temporary increase in this kind of traffic due to the school works was just about bearable, to have this kind of heavy machinery on trucks coming past daily in perpetuity is a terrible thought, parts of Broad Lane are not very wide leading to the site in question and it has no footpath on stretches which will cause obvious danger to pedestrians .
