Case Officer: Steven Bell

## Customer Details

Address: [REDACTED] Princes Road Dartford DA1 1RB

## Comment Details

Commenter Type: neighbour letter

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Hi,

There has been no mention as to how bright the electronic sign board will be. Could it be confirmed that the brightness from it will not spread in to the properties across the road? This will be more a concern in the evenings as the light fades.

Apart from this I have no objections to the board going up.
