Comment Reasons:

Comment: I have 2 comments about this planning application.

My first concern is the impact the position of units 1 and 2 will have on the outlook and access to source of natural light for my bedrooms and lounge.

Waring Street is a narrow no through road with limited access. Although the plans show provision for parking spaces it is my belief that the addition of these 5 extra dwellings will have an unwanted impact on this residential area causing undue nuisance, traffic noise and congestion.
