Subject: Draffen Park

Dear Sir/Madam,

As a resident and member of Stane Brae Residents Group, Stewarton, I have been made aware of the progress of the above development which shows on its plans and drawings, a pathway linking Draffen Park to Stane Brae, Stewarton.

I wish to register my objection of any such path being constructed on this land which is owned and maintained solely by Stane Brae residents.

I do not permit such a path to be constructed as per the plans shown and included in 21/0012/AMCPPP and would ask that this objection be submitted to East Ayrshire Planning for their attention and information.

Yours faithfully,
Laura Filson & Andrew Litchfield
