Subject: Draffen Park Development, Stewarton 21/0012/AMCPPP

Dear Sir/Madam,

As a resident and member of Stane Brae Residents Group, Stewarton, I have been made aware of the progress of the above development which shows on its plans & drawings, a pathway linking Draffen Park to Stane Brae, Stewarton.

This pathway is shown on land solely owned and maintained by the residents of Stane Brae, Stewarton. I wish to register disapproval of any such path being constructed on this land owned by Stane Brae residents.

I do not permit such a path to be constructed as per the plans shown and included in 21/0012/AMCPPP. I respectfully request that this objection be submitted to East Ayrshire Planning for their attention and information.

Yours Faithfully,

Scott Saunders
