I have the following comments to make on the application:-

(-)	LOD IFOT to the emplication for the responded as stated holes.	X
(a)	I OBJECT to the application for the reason(s) as stated below	\square
(b)	I have NO OBJECTIONS to the application and have no condition(s) and/or comment(s) to make on the proposal	
(c)	I have NO OBJECTIONS to the application subject to condition(s) and/or comment(s) about the proposal as set out below	
(d)	Further information is required in order to consider the application as set out below	

Please

Reason(s) for objection

No calculations have been provided to support the proposed drainage design.

Further information required to consider the application

The applicant needs to provide evidence, through calculations, that the proposed drainage design is suitable for a 1:30 year return period, including 35% climate change.
