I acknowledge receipt of your application in respect of the above which was received as valid on 13 January 2021. I may have changed your description of the proposal to make it more clear, but if you are not satisfied please let me know.

Whilst I technically have until 10 March 2021 to deal with your application, due to the extraordinary events caused by the COVID-19 pandemic, we are trying to maintain as normal a service as possible. Unfortunately, in the short term, there are aspects of workflow we will need to change as we work to adapt to government guidance.

We will consult upon and decide your application as soon as possible and at least with initial assessment and internal consultation done your application should be able to progress speedily from that point. We are grateful to you for bearing with us through this difficult period.

We will make details of planning applications available online so that people can contribute their comments. We will sometimes need to share the information we have with other parts of the council - for example to establish how long a building has been used.
