Comment Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

- No Opinion expressed on development

Comment: I support this application. The situation these days for young families to move home is very hard. This application does not affect any of the surroundings - in keeping with the neighbouring properties.

The council should encourage more home extensions/improvements, that way people that were born and bred in the village can stay with their families.
