Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I regularly visit the churchyard to tend my parents grave. I have looked at the planning application and covering letter and I cannot see any details how this would work. Would the gates be locked and opened by appointment? Or would they be only opened at certain times? If as some residents assume the gates will be closed but unlocked I fail to see how this will deter patrons from the pub opposite from parking. May I suggest the Church ask the licensees and neighbours with cars for an annual donation for the upkeep of the car park.
