Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: If the gate is used the visitor will have to get out of their car and will leave their engines running open the 2 doors on the gate which will cause a noise drive in park go back and close the gates which has the risk of spreading a pandemic and do all this again so this will force people to park in the limited 3 spaces for 12 households which the customers of the Monument pub also use or not visit the graveyard at all which may cause them distress.
