Dear Lauren,

**Re: 20/02961/LBC, Ferry Lodge, Earlsferry**

Thank you for your letter of 7 December.

The information requested is being uploaded along with this letter.

This letter is to confirm that photographs, as per your point 5, will be sent as soon as the current restrictions allow us to acquire these - the house is a holiday home and no one is staying there at present. In the meantime it would be helpful if you could continue to determine the application and we will provide that piece of information before you complete your report and issue your decision.

Kind Regards,

Liz Roxburgh
