Subject: Application amendments

Hello,

Please find attached and within this email the detail of requested amendments,

REF 2020/2002

- 1). Please re-submit the proposed drawings in a PDF format.
- 2). Please amend that proposed ground floor plan to include the front porch and rear single storey extension, clearly indicating these proposed areas.

[Please see attached PDF version of plans with requested areas amended](#)

- 3). Please confirm that the amended proposal description is acceptable: "Single storey front infill extension with pitched roof and front porch. First floor side extension and single storey rear extension".

[Please can you use this amended description "Single storey front infill extension with pitched roof and front porch \(not enclosed\). First floor side extension and single storey rear extension".](#)

I hope this covers the issues with the application. Please get in touch if there is anything further you require from myself.

Thanks
Danny
