

## 13 Anvil Grove NG19 8DA. Extension (Conservatory)

As the owner and occupier, I would like to apply for Proposed Lawful Development.

### Proposal:

Rear conservatory at ground floor level.

Please use all the uploaded supporting documents as evidence to verify the application.  
I will be using a FENSA registered company to complete the works, this will not be a DIY project.

I believe the proposal complies with permitted development rights.

David Carver.
