Unfortunately, in the short term, there are aspects of workflow we will need to change as we work to adapt to government guidance.

We will consult upon and decide your application as soon as possible and at least with initial assessment and internal consultation done your application should be able to progress speedily from that point. We are grateful to you for bearing with us through this difficult period.

What we do with your information

We use the information provided to us to make decisions about the use of land in the public interest. Some information provided to us we are obliged under the regulations to make available on planning registers. We will make details of planning applications available online so that people can contribute their comments. We will sometimes need to share the information we have with other parts of the council - for example to establish how long a building has been used.
