PART I

Applicant's reference:

To the Chief Planning officer of Harts District Council

Harlington Way

Fleet

GU51 4AE

Date: 14th January 2021

Dear Sirs,

Electricity Act 1989

Application is being made to the Secretary of State for Trade & Industry for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application the District/Borough Council is requested to return to me two copies of this Form with Part I Certificate and Part II completed and signed.

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90) (Department of Energy Circular 1/90 describes this procedure and the reason for it.

Yours faithfully,

Alice King

For and on behalf of the applicant

CERTIFICATE

(To be completed by or on behalf of the District/Borough Council)

The

District/Borough Council

(i) *object on the grounds set out below/have no objection to make to the development described overleaf;

(ii) *request/do not request that a public inquiry be held pursuant to paragraph 2 of Schedule 8 to the Electricity Act 1989 before the Secretary of State reaches his decision on the application.

Signed

**Delete as appropriate*

Designation

on behalf of the

District/Borough Council

[Reasons for objections]

PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

[To be completed by the applicant]

Application is being made

- (a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground;
 - (b) for a direction under section 90(2) of the Town and Country Planning Act 1990 that planning permission for the proposed development be deemed to be granted.
1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environmental statement of the applicant has prepared one.)

Pole number prefixed by LSTC005R is an existing pole which is due to be replaced with a pole with a height difference of 63.41%, as shown in red on the plans.

Please see information plans attached showing the existing line and position of poles due to be replaced, installed and removed.

The nearest postcode is GU17 9JT.

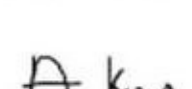

2. Particulars of any representations or objections which have been made to the applicant.
N/A

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

Contractors will endeavour to keep disturbance to a minimum and we understand there will be no environmental implications.

Date 14/01/2021
Note: This Part to be completed, dated

And signed before submitting
To the local planning authority.

PART II – INFORMATION AND OBSERVATIONS

(To be completed by the District Borough Council)

Planning Reference No.

1. Names of interested parties consulted as to the proposals with details of any observations received.
2. Particulars of any representations which have been made to the local planning authority objecting to the proposals.
3. Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development?
4. Does the proposed development involve the demolition, alteration or extension of a building of special architectural or historic interest included in a list compiled or approved under Section 1 of the Planning (Listed Buildings and Conservation Areas) Act 1990?

5. Does the local planning authority agree that the proposed development should be approved by the Secretary of State for Trade & Industry as described? (If the answer is no, please answer question 6.)
6. Would the local planning authority be prepared to agree that the proposed development should be approved subject to modification or conditions? (If so, specify the modifications or conditions proposed and state whether they are acceptable to the applicant). (Note: the precise form of any modifications or conditions subject to which the consent or direction is given is a matter for the Secretary of State, but he will have regard to the form of words used by the local planning authority.)
7. Does the local planning authority consider that the application should be accompanied by an environment statement in accordance with the Electric Works (Environmental Impact Assessment) (England & Wales) Regulations 2000? (If so, please specify the particular points arising from the application which have caused the local planning authority to take this view.)
