Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Public right of way number 817 is positioned at the rear of the proposed development. Whilst I have no objection this must be on the condition that no vehicles or materials from the works are obstructing or stored on the public right of way. Any damage to the public right of way as a result of the works must be repaired to the satisfaction of the engineer.
