Hi Alex

I will talk to my clients and get back to you. I'm sure they'd prefer to appoint someone to do the report than have a disappointing result.

Kind regards

Marion

Afternoon Marion,

I have left you a voice message this afternoon for the above mentioned application. I have been to site and reviewed the submitted documentation, you make reference to the specialist reports being submitted at the Full Planning application stage. To assess the application accordingly we would need the specialist reports with the Outline application, otherwise, I will have to determine the application unfavourably.

If you wish to discuss the matter further, please don't hesitate to contact me.

Thanks,
