Hi Ben,

My Client has advised me that she wishes to make a very minor amendment to the Planning Application PF/20/2660

On Page 3 Item 10. MATERIALS:

The *currently* submitted colour for the Windows is WHITE, however the **REVISED PROPOSED Colour is RAL 5024 Pastel-Blue** (as noted elsewhere on the Bush Estate).

Please find attached REVISED Page together with a Photograph showing this light blue colour.

Kind regards,
