Shambles, Aylsham Road, Felmingham - Application No. PF/20/2672

To ☐ Planning Department

SHAMBLES - FELMINGHAM - PLANNING.pdf

Further to your letter dated 18th January 2021, I attach the plans and elevations drawing 2042/01. The only issue was that the proposed plans were also labelled as existing, and it is very obvious that they are proposed. As the application was submitted on 28th December, a period of three weeks has elapsed, and I would therefore ask that the validation date be 28th December and not 18th January.

Kind regards

Telephoned, and explained that although application submitted 28.12.20, we (NNDC) didn't reopen until 4.1.21. We have also been extremely busy, but would process the application as quickly as I can.

Regards
