

Project : - Proposed Installation of Dormers to Rear of House

Address : - 13 Myrtle Park, Glasgow

Drawing Title: - Proposed Part Floor Layout.

Client : -

Scale : - 1 : 50 Date : - August 2020

Drawing No : - MP/102 Revisions: -

The dashed lines indicate the roof rafters of the dormer roof - They are 200 x 45mm C16 grade timbers at 450mm centres. The rafters rest off the top of the external wall of the dormer that are secured to the wallplate at the top using truss clips every rafter. They are anchored to the inside of the front dormer wall using anchor straps every third rafter. The dormer roof rafters are supported off the 2No300 x 50mm C16 grade timbers using joist hangers. The 2No300 x 50mm C16 grade timber beam is supported off doubled up rafters at each side of the beam using joist hangers.

PROPOSED PART FIRST FLOOR LAYOUT
