Re: Tree Works Application for – 2 Kilnside Goughs Lane Warfield

Thank you for your recent application for tree works, which the Council received on 13th January 2021.

Unfortunately we can not accept this as a valid application as there is insufficient detail on your application. Please see below the points that require further detail.

- 0 Tree Works Description - The structural clearance element is acceptable, however if you would prefer to reduce the crown by 25% then this specification will require reasoning and quantitative adjustment. Please could you let me know how you would like to proceed.

Could I please ask that you to provide the details requested by **10th February 2021**. Unfortunately if I do not receive this information I will have to return your application to you.

Yours sincerely
