Replacement of flat roof, replacement of timber cladding with matching brick and installation of 2 x windows to side elevation

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

The proposed development relates to the replacement and upgrading to the structure of the existing building. There are no highway related matters for consideration and therefore the Highway Authority has no objection to Planning Consent.
