Further to our earlier telephone conversation, I note the following in response to your letter:

- The Site Location Plan is included in the proposed site plan drawing 1512/P-101. This has been checked by you and confirmed as being acceptable.
- 2. The revised description of the proposal is acceptable: Demolition of existing conservatory and two outbuildings and erection of a two-bedroom dwelling with integral garage, new access and boundary treatment
- 3. The causal pro-forma has been completed. I attach a copy of the acknowledgement.
- The SAP mitigation is outlined in section 5.5 of the Design and Access Statement. Please see 4. enclosed the email from Rachel Poulter dated 13 January 2021 confirming that we should contact the SANG department when the application has been validated.

I hope the above is sufficient for you to register the application.

Kind regards

Bernie Andrews
