Re-submission of CHE/16/00614/OUT

Dear Helen,

May I once more add my objections to the above planning application on the following grounds.

1. Valuable farming land will be lost.
2. Wildlife in this area will be driven out.
3. Occupants will add to already overstretched services in Brimington.
4. Increase in traffic will add to an often gridlocked Brimington.

Your sincerely,

Patricia Ann Edward's.
