29th January 2021

Dear Sir/Madam,

**The Cottage, Main Street, Great Kelk - Submission of details required by Condition 3 (discharge of surface water) of planning permission 20/00526/PLF**

Thank you for consulting Yorkshire Water regarding the above proposed development. We have the following comments:

**Waste Water**

According to the statutory sewer records, there is no public sewerage network either in Little Kelk or Great Kelk area. It is more than likely there are private treatment facilities that serve properties in the two areas. In this instance, it is not appropriate for Yorkshire Water to provide any comments on the foul and surface water drainage proposals submitted for the discharge of Condition 3.

Yours faithfully

Jim McGlade  
Planning Technician
