Re: PF/21/0027 : 14 School Road Saxlingham

To  Ben Rowe

Ben

I think this is the best description for works necessitating planning approval , the front and back doors are existing these are just replacements .

new work is as follows .

Alteration to existing ground floor bedroom to form new sitting/garden room , Installing new bi fold doors to south elevation and new windows to east elevation.

i hope that helps.

Best Mike
