

Oplio

58BW ST Heritage

The look of steel, the benefits of aluminium.
A win-win for designers and homeowners alike.

Featuring factory-sealed high quality, low U-value, ST
glazing inserts, it's one of the best replacement for
existing steel windows.

In addition to impressive high thermal and acoustic
performance, the design also replicates the minimal
sightlines associated with steel windows, whilst providing
superior performance and security.

DESIGN FEATURES

- Certified under the Secured By Design scheme
- Tested to PAS 24
- Green guide rated A
- Integrated deep head profiles for ease of trickle ventilation
- Unique polyamide thermal break design to improve thermal performance
- Slim sightlines to match existing steel windows
- Internally beaded for ease of glazing on highrise projects

OPTIONS

- 38mm or 70mm frame depth to accommodate varying types of applications
- Internally or externally glazed
- Glazing 24mm - 32mm
- Available for Lifetime Homes (LF) and accredited finishes
- Available in the following aesthetics: Stepped Edge, Square and Fully Line
- Available in the following configurations: top hung, side hung, bottom hung, fixed light, multi-light and French casement
- Double headed option allows for internal glazing without the use of dummy vents
- Accommodates standard hardware

➤ Square

➤ Fully Line

➤ Stepped Edge
