Information not to be used other than as defined by the drawing status.

All dimensions are in millimeters and levels in meters.
This drawing is to be read and not to be scaled.
This drawing is a copyright and property of Rainsford Ltd. It is not to be produced, copied, handed over to third party or used for any other purposes other than for which is intended. All dimensions shall be verified on site prior to start of work. Any discrepancy shall be brought to the notice of the architect.
The construction manager/contractor must check all dimensions and details and be responsible for the same. Any discrepancies shall be brought to the notice of the architect.
This drawing shall be read in conjunction with all relevant architectural, structural and services drawings. Any discrepancies noticed shall be brought to the attention of the architect and consultants. Any discrepancies noticed shall be brought to the attention prior to execution of works.
Drawing approval is for the conformity with outline design intent only and does not relieve the project manager/contractor/sub-contractors from the accuracy, integration and fitness for purpose of design.
