Hi Lisa Griffin,  
As previously communicated about, here I attach block-site plan with North shown.  
I also attach my attempt at showing the gate in drawing, together with a link to brochure for style of gate I am buying.  
Lastly yes I confirm the amended site location labelling is acceptable. Also to say we are having timber posts to secure the gate, not brick pillars but I think we communicated that already.

Also one question, if our entrance/exit is on Dun Cow Road does our official address have to change?

Please, if there is anything else needed do let me know.
