Assistant Director Environment and Planning

2 February 2021

Dear Sir or Madam

**TOWN AND COUNTRY PLANNING ACT 1990**

Details: **2 storey extension to side and single storey to front incorporating bedroom, utility, study and shower room. at 14 Golds Pightle Ringstead Hunstanton Norfolk PE36 5LD**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. It appears that you submitted a car barn plans, however it is not mentioned on the proposed job description. Additionally, existing floor level plans do not match the elevations of the house, please amend this accordingly so we can validate your application.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Sandra Homcenko**

Yours faithfully

Executive Director  
Environment and Planning
