In this case no negotiation was required following submission of the application, which was able to be supported and approved as submitted.

2. **Highways Note**

It is an OFFENCE to carry out works within the public highway, which includes a Public Right of Way, without the permission of the Highway Authority. Any conditions which involve work within the limits of the public highway do not give the applicant permission to carry them out. The County Council's Central Area Manager should be contacted on Telephone 01473 341414. Important Notes to be read in conjunction with your Decision Notice

Please read carefully

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development. Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

Discharging your obligations under a condition:

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

Building Control:

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
