RE: Land Goverseth Road, Foxhole - Reserved Matters Application and S106

Dear Tim,

Further to our recent discussion we can confirm that we are in the process of selling the development when complete to Coastline Housing Association in accordance with preliminary plans / discussions with the Affordable Housing Team and the agreed S106, subject to the reserved matters application. The contracts are with the respective solicitors and moving to exchange at the earliest convenience.

At the time of writing I can confirm that exchange and completion of the purchase of the site from Imerys will take place before the end of January, however please notify them of the submission of the Reserved Matters Application if necessary.

Should you have any queries or require clarification of further discussion please do not hesitate in contacting me.

Yours sincerely

Ian Carter
