5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

We are proposing to change the use of the amenity land to garden use. We have recently purchased the land from Silva home and that completed in September but we was not made aware by solicitors or Silva homes that we needed to get planning permission to do so. Therefore we are submitting the planning permission now. we are planning to fence in the back garden area and put up a 1.8m fence to make our current garden larger and the amenity land is next to our garden running down the side of the house to from front garden to the back garden. There will be no building works erected on the land. we have submitted a pre app so the local authority are aware of the application.

Has the work or change of use already started? Yes No

If yes, please state the date when the work or change of use started (date must be pre-application submission) DD/MM/YYYY

Has the work or change of use been completed? Yes No

6. Existing Use

Please describe the current use of the site

It currently is not accessible as it was overgrown shrubs that were spreading into the communal path on the other side. we had started to fence in the area next to our garden but ceased works once we was made aware of the planning permission needed by a planning officer from Bracknell Forest Council.
