Subject: RE: SDNP/20/03579/FUL - The Nut Orchard

Dear Beverly

You may recall that you granted planning approval last month for a timber store / work shed according to SDNP/20/03579/FUL. I would now like to proceed with building it.

Here are photographs of samples of the materials to be used for the exterior elevations and roof and I enclose these here.

Could you please confirm that these are acceptable?

Thank you and best regards
Richard Carr
