The proposed works are commensurate with the size and scale of the existing dwelling and would have little impact on neighbouring amenities providing no windows are inserted in the rear (west) or side (south) elevations.
In conclusion, subject to formal notification and consultation on the proposals, the scheme for the demolition of the existing garage and the erection of a new garage/gym/games room to side and a single storey extension to rear would be considered favourably by Officers of the Council.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
