#### PD CONDITIONS

<b>Development is permitted by Class A subject to the following conditions:</b>			Comply (✓ x or N/A)
(a)	the materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;		✓
(b)	any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be—		N/A
	(i)	obscure-glazed, and	
	(ii)	non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and	

(c)	where the enlarged part of the dwellinghouse has more than a single storey, or forms an upper storey on an existing enlargement of the original dwellinghouse, the roof pitch of the enlarged part must, so far as practicable, be the same as the roof pitch of the original dwellinghouse.	N/A
-----	--	-----

Reason if not PD: The proposed extension would not comply with j (iii) as part of the extension forming the enlarged part of the dwelling would extend beyond the side elevation of the original rear projection and would be more than half the width of the original dwellinghouse. The combined enlargement, being the existing extension together with the proposed side extension would together be more than half the width of the original dwelling house and would fail criteria (ja).
