

Conservation Area / TPO Application for Tree Work

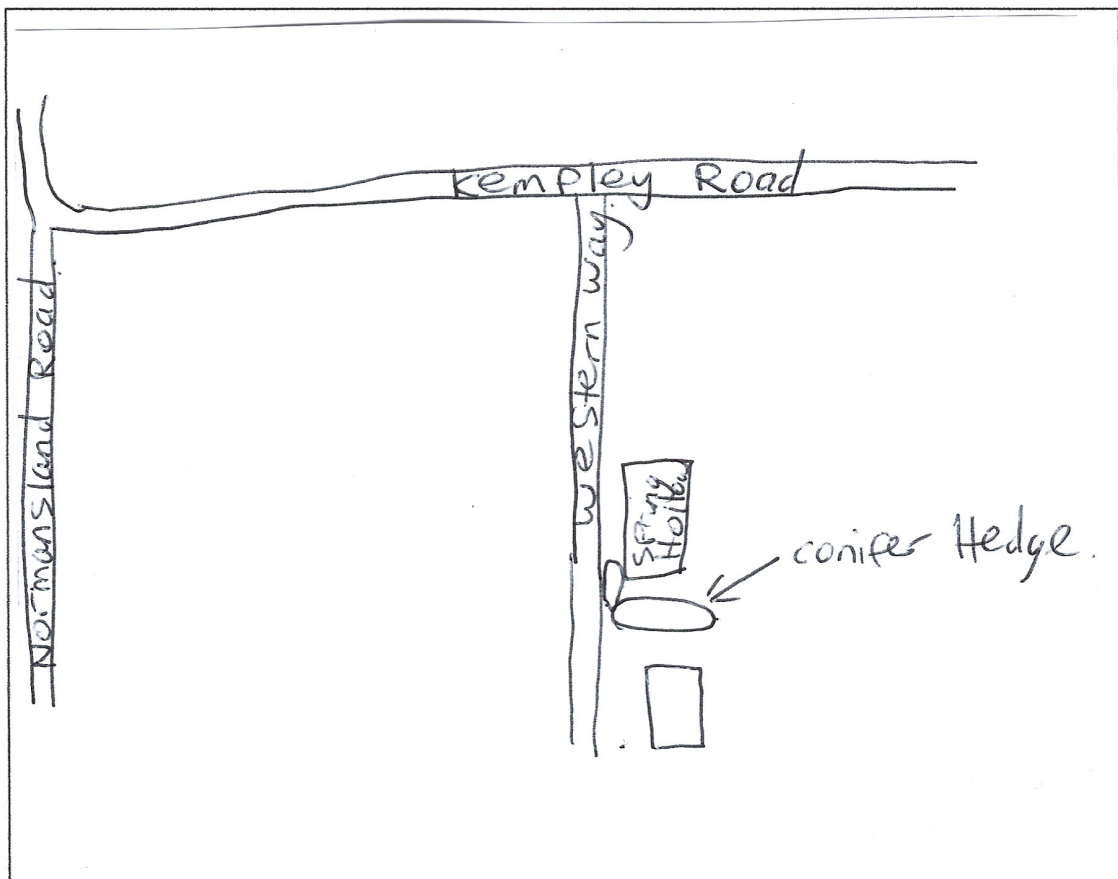

Tree Location

Spring Hollow, Western Way, Dymock, Gloucestershire GL18 2AU

Schedule of Work

Conifers on front right boundary – reduce to approx. 20 ft (3ft above neighbour's gutter height, at gutter height on owner's house) and cut back neighbour's side to fence line or as close as possible. Reduce other side as hard as possible without killing it. Chip and remove all.
