Dear both,

Sorry to bother you both again. I am looking at all the forms and wondered if it would be possible to arrange for a listed building officer to come to the property and look at alterations to see if they require retrospective permission. Now I am looking into this, I don't know if we should have had permission to put in new bathroom fittings and I would love to have this sorted to put my mind at rest.

Could you let me know what I have to do to arrange this going forward please? I think it would just be easier for someone who knows what they are doing to come and have a look!

Thanks you both again for your ongoing help.

Carol
