Hi Perry,

I am doing my best to get on with this form but have undoubtedly made errors. I have checked the codes on the windows and have written them on the form. There is another one that is not accessible without a huge ladder though.

At the top of the form, it send me to a planning portal but that is general for the whole of the UK. If I am not supposed to send it to you, could you let me know where I ought to direct it?

Many thanks for your help in this matter, it will put my mind at rest to have it all sorted!

Kind regards,

Carol
