Thank you for your recent enquiry dated 1st July 2020 regarding the above.
From the information that you have provided it is my opinion that as the proposed extension exceeds 3 metres in depth planning permission will be required in this instance.
The proposal does not fall within the definition of 'permitted development' by virtue of Schedule 2, Part 1, Class A of The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).
You will therefore need to make a planning application should you decide to proceed with the proposal. The application forms can be completed and submitted using our Planning Portal service which can be accessed via the following website; www.gosport.gov.uk/article/1219/Applying-for-Planning-Permission.
Mr Flynn commented that due to being within Hardway Conservation Area planning permission is required.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

11. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

12. Ownership Certificates and Agricultural Land Declaration

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
