## 4. Description of Proposed Works

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s):

The application is related to an outbuilding located to the NE of Carwen Farmhouse. Currently the only means of entry to the outbuilding is via a neighbouring property (Middle Carwen). From inspection inside there was previously a doorway that would enable access directly from Carwen Farmhouse, however this doorway has been previously blocked-up with concrete bricks. The outbuilding is of traditional stone & rubble construction, we believe probably constructed mid-nineteenth century. The outbuilding is connected to the main house, Carwen Farmhouse by an arched structure. The proposed work is to reinstate a doorway in the outbuilding to allow a door to be installed. The work will require the repositioning of an existing heating oil tank that is currently immediately adjacent to the proposed work.

Has the development or work already been started without consent?

Yes  No

## 5. Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

 Grade I  
 Grade II\*  
 Grade II

Is it an ecclesiastical building?

Don't know  Yes  No

## 6. Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

Yes  No

## 7. Related Proposals

Are there any current applications, previous proposals or demolitions for the site?

Yes  No

If Yes, please describe and include the planning application reference number(s), if known:

The door facing the neighbouring property was replaced under PA16/08061.  
The outbuilding was repointed, along with the house under PA16/03605

## 8. Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

Yes  No

## 9. Listed Building Alterations

Do the proposed works include alterations to a listed building?  Yes  No

### If Yes, do the proposed works include

a) works to the interior of the building?  Yes  No

b) works to the exterior of the building?  Yes  No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?  Yes  No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?  Yes  No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Removal of concrete bricks. Door frame and door. Making good using Lime mortar the match the rest of the building.

## 10. Materials

Does the proposed development require any materials to be used?  Yes  No

## 11. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?  Yes  No

If Yes, please provide details:

The residents of Middle Carwen have been consulted with no verbal objection. The installation of a door directly from the Carwen Farmhouse side will reduce the need for access via their land, which the deeds allow so will be beneficial. They will not see the proposed new door so aesthetically it will not change anything from their side.

## 12. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?  Yes  No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

## 14. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.  Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
