Dear Sirs

**Application for listed building consent for alterations, extensions or demolition of a listed building. Planning (Listed Buildings and conservation Areas) Act 1990.**

Please find attached one original and three copies of planning application to re-site the front door to our property – The Barn, North Farm, Holywell.

I have submitted a previous planning application for the re-siting of our front door (Reference 17/00023/LBC) but was informed verbally that the door – when re-sited – would have to be constructed of the same materials as the current door – ie wood with a glass side panel. This was not our intention at that time and the application was therefore withdrawn.

I look forward to your response.

Many thanks
