Hi Lisa thanks for your email.

Apologies for my previous email which was half finished (fat fingers ?)

The pool is 9.75m long X 4.87m wide, plus the dock is 6.09m long (including stairs) X 3m wide. The total area which the temporary fencing will enclose is approximately 30.5m X 21.3m

If you need any further information please don't hesitate to ask.

Kind regards.

Andy

Dear Andrew

Please could I ask that you amend your Location Plan to clearly indicate and include the metric dimensions of the pool (as due to formatting of the document I am unable to scale for it correctly) and also indicate where the stock fencing will be erected.

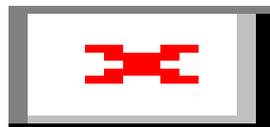

Once this information is received I can validate the application.

Regards

Lisa Griffin
