Good afternoon Elinor,
A photo of the tree is attached and the details you require are as follows:
Roger Day of 42, Minster Avenue, Beverley, HU17 0NL

The tree is in the back garden of my house. It has not produced any leaves during the last two summers and much of the bark is falling off.

I propose to cut it off at ground level and eventually dig out the roots when they have rotted. I am not able to send a location plan as an attachment because I do not have a scanner. However, if necessary, I would be able to come to your office to show you the plan in the deeds of the house.

Kind regards,
Roger Day
